This document provides further details in relation to the meeting of holders of the Securities (the “**Meeting**”) called pursuant to the notice of meeting in respect of the Securities dated 9 July 2021 (the “**Notice**”). This document should be read in conjunction with the Notice. Unless the context otherwise requires or otherwise defined herein, terms used in this Further Details Document shall bear the meanings given to them in the Trust Deed dated 29 May 2012 (the “**Trust Deed**”).

General

The attention of beneficial owners of the Securities is particularly drawn to the quorum required for the Meeting and for an adjourned Meeting which is set out in “*Voting and Quorum*” below. Having regard to such requirements, eligible beneficial owners of the Securities are strongly urged to consider submitting valid Tender Instructions or Voting-Only Instructions in accordance with the tender offer and solicitation memorandum prepared by Novo Banco, S.A. (the “**Bank**”) dated 9 July 2021 (the “**Tender Offer and Solicitation Memorandum**”) (subject to the offer and distribution restrictions set out in the Tender Offer and Solicitation Memorandum), the Terms and Conditions, the provisions for meetings as set out in Schedule 3 of the Trust Deed (the “**Meeting Provisions**”) and the Trust Deed or to attend or to take steps to be duly represented at the Meeting, as referred to below, as soon as possible.

Background and rationale

Directive 2014/59/EU as amended by way of Directive (EU) 2019/879 (“**BRRD II**”) (as so amended, the “**BRRD**”) was implemented in the European Union together with the formal adoption of Regulation (EU) 2019/876 of the European Parliament and of the Council, which entered into force on 27 June 2019. Under BRRD II, European Union banks, such as Novo Banco, are subject to an entity-specific minimum requirement for own funds and eligible liabilities (“**MREL**”) regime, under which they are required to issue a sufficient amount of eligible instruments to absorb losses in resolution and to recapitalise the institution or the surviving part thereof.

On 16 June 2021, the Bank received the notification from the Single Resolution Board (the “**SRB**”) and the Bank of Portugal regarding its MREL requirement. The Bank will be required to comply with MREL on a consolidated basis at the level of 14.64 per cent. of total risk exposure amount (“**TREA**”) that shall

be reached by 1 January 2022 (17.52 per cent. including the combined buffer requirement) and 22.78 per cent. of TREA from 1 January 2026 onwards, which shall be met at all times.

The Securities (except for the Series XS0439764191 issued by NB Finance Ltd.) are eligible for compliance with the Bank's MREL requirements despite not having any contractual bail-in recognition clause and being governed by English law, as they were all issued prior to the transposition of the BRRD into Portuguese law. However, on its recent publication on the 2021 SRB policy, the SRB has stated that banks are strongly encouraged to continue their efforts to introduce the recognition clauses to existing contracts or replace instruments without such clauses to achieve further progress towards resolvability.

Considering the above, the Bank intends to replace the Securities and issue new notes in order to further its compliance with its MREL requirements for 2021 and beyond and optimise its cost and funding structure.

Additionally, the secondary market for the Securities is characterised by low levels of liquidity and trading volumes of the Securities are limited, in part as a result of the past liability management exercises conducted by the Bank where a significant portion of the Securities were purchased or redeemed and subsequently cancelled, making the principal amounts of each Series outstanding even smaller. As such, the Offers will provide Securityholders a liquidity opportunity.

None of the Issuer, Credit Suisse Securities Sociedad de Valores S.A., Deutsche Bank Aktiengesellschaft, J.P. Morgan AG and Nomura Financial Products Europe GmbH (together, the "Dealer Managers" and each a "Dealer Manager"), The Bank of New York Mellon, London Branch (the "Trustee") or Lucid Issuer Services Limited (the "Tender Agent") expresses any view as to the merits of the Offer, the Proposal or the Extraordinary Resolution. None of the Dealer Managers, the Trustee or the Tender Agent has been involved in negotiating the Offer, the Proposal or the Extraordinary Resolution or makes any representation that all relevant information has been disclosed to the beneficial owners of the Securities in or pursuant to the Tender Offer and Solicitation Memorandum, this Further Details Document and the Notice. Furthermore, none of the Issuer, the Dealer Managers, the Trustee or the Tender Agent makes any assessment of the impact of the Proposal presented to eligible beneficial owners of the Securities in the Tender Offer and Solicitation Memorandum on the interests of the beneficial owners of the Securities or makes any recommendations on the Offer or the Proposal or whether acceptance of, or consent to, the Offer or the Proposal should be made or given. Accordingly, beneficial owners of the Securities who are unsure of the impact of the Proposal and the Extraordinary Resolution should seek their own financial, legal and tax advice.

Beneficial owners of the Securities wishing to attend the Meeting have the right to attend in accordance with the provisions set out in the Meeting Provisions. Among other persons, representatives of the Issuer and the Trustee and their respective legal advisers shall have the right to attend the meeting in accordance with the Tender Offer and Solicitation Memorandum, the Terms and Conditions, the Meeting Provisions and the Trust Deed, even if they have not been requested to attend. The Trustee is not obliged to attend.

Ineligible Instruction Fee

Ineligible Securityholders will be eligible to receive an amount equivalent to the relevant Early Voting Fee for the relevant Series (as set out in the Notice) (such amount, the “**Ineligible Instruction Fee**”) if they make the necessary arrangements for the delivery to the Tender Agent of a valid Ineligible Securityholder Instruction in favour of the relevant Extraordinary Resolution which is received by the Tender Agent by 4:00 p.m. (Lisbon/London time) on 16 July 2021 (the “**Early Participation Deadline**”).

Payment of the relevant Ineligible Instruction Fee is subject to (i) the delivery of a valid Ineligible Securityholder Instruction in favour of the relevant Extraordinary Resolution to the Tender Agent on or before the Early Participation Deadline; (ii) such Ineligible Securityholder Instruction not being revoked; (iii) the relevant Extraordinary Resolution being duly passed and implemented; and (iv) the Bank not having previously terminated the relevant Proposal.

To be eligible to receive the relevant Ineligible Instruction Fee, Securityholders who submit an Ineligible Securityholder Instruction must not attend, or seek to attend, the relevant Meeting or make any other arrangements to be represented at the relevant Meeting (other than by way of delivering Ineligible Securityholder Instructions). Any Securityholder that separately appoints a proxy to vote at the relevant Meeting on its behalf or attends the relevant Meeting or makes other arrangements to be represented at

the relevant Meeting (other than by way of submitting Ineligible Securityholder Instruction) will not be eligible for the Ineligible Instruction Fee, irrespective of whether such Securityholder has delivered an Ineligible Securityholder Instruction or such other arrangements are made by the above deadlines. For these purposes 'attendance' at a Meeting includes participating in the Meeting via teleconference.

Payment of the Ineligible Instruction Fee in respect of any Ineligible Securityholder Instruction is conditional upon, *inter alia*, the passing and implementation of the relevant Extraordinary Resolution.

Voting and Quorum

- (3) The proxy so appointed shall so long as such appointment remains in full force be deemed, for all purposes in connection with the Meeting (and any adjourned Meeting), to be the holder of the Securities to which such appointment relates and the Common Safekeeper shall be deemed for such purposes not to be the holder.
- (4) A beneficial owner can request through his Direct Participant for the Principal Paying Agent to appoint one or more representatives of the Tender Agent as its proxy to cast the votes relating to the Securities in which he has an interest at the Meeting (and any adjourned Meeting).
- (5) Alternatively, beneficial owners who wish for a different person to be appointed as their proxy to attend and vote at the Meeting (and any adjourned Meeting) and beneficial owners who wish to personally attend and vote at the Meeting (and any adjourned Meeting) should request their Direct Participant to contact the relevant Clearing System to make arrangements for the issue of a voting certificate in respect of the Securities in which they have an interest for the purposes of attending and voting at the Meeting (and any adjourned such meeting) in accordance with the Terms and Conditions, the Meeting Provisions, the Meeting Regulations and the Trust Deed.
- (6) In either case, beneficial owners must have made arrangements to vote with the relevant Clearing System by not later than 48 hours before the time fixed for the Meeting (or an adjourned Meeting) and within the relevant time limit specified by the relevant Clearing System and request or make arrangements for the relevant Clearing System to block the Securities in the relevant account holder's account and to hold the same to the order or under the control of the Tender Agent.

- (7) Any Security/Securities so held and blocked for either of these purposes will be released to the Direct Participant by the relevant Clearing System on the earlier of (i) the conclusion of the Meeting (or, if later, an adjourned Meeting) or (ii) an adjourned Meeting not having been quorate and validly held and the Chairman's (with the Trustee's approval) decision not to convene a further adjourned Meeting or (iii) the receipt by the Tender Agent of the relevant revocation instruction in the circumstances set out in the Tender Offer and Solicitation Memorandum or (iv) prior to 48 hours before the time fixed for the Meeting (or an adjourned Meeting) upon such Security/Securities ceasing in accordance with the procedures of the relevant Clearing System and with the agreement of the Tender Agent to be held to its order or under its control; provided, however, in the case of (iii) and (iv) above, that if a beneficial owner or Direct Participant has caused a proxy to be appointed or has had a voting certificate issued in respect of such Security/Securities, such Security/Securities will not be released to the relevant Direct Participant unless and until the Bank and the Tender Agent has received notice of the necessary revocation of or amendment to such proxy or has received the relevant voting certificate (as the case may be).
- (8) Any vote given in accordance with the terms of the block voting instruction shall be valid notwithstanding the previous revocation or amendment of it or of any of the instructions of beneficial owners of the Securities pursuant to which it was executed, **provided that** no notification in writing of such revocation or amendment shall have been received by the Principal Paying Agent or by the Tender Agent, in each case not less than 24 hours before the commencement of the Meeting (or adjourned Meeting) at which the block voting instruction is intended to be used.
- (9) The Meeting shall be entitled to pass the Extraordinary Resolution if one or more persons holding or representing in the aggregate not less than two-thirds of the nominal amount of the Securities for the time being outstanding are present, and the Extraordinary Resolution shall be passed if a majority of at least 75 per cent. of the votes cast at the Meeting are in favour of the Extraordinary Resolution. In the case that one or more persons holding or representing not less than two-thirds of the nominal amount of the Securities for the time being outstanding are not present within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) from the time initially fixed for the Meeting, an adjourned Meeting may be convened to be held not less than 13 clear days nor more than 42 clear days following the first Meeting, and will be validly constituted if one or more persons holding or representing in the aggregate not less than one-third in nominal amount of the Securities for the time being outstanding is or are present at the adjourned Meeting and the Extraordinary Resolution may be passed if a majority of at least 75 per cent. of the votes cast at the adjourned Meeting are in favour of the Extraordinary Resolution. Any adjourned Meeting shall be held via teleconference.

For the purposes of determining whether the requisites of quorum and majority of votes referred to above are complied with, the Tender Agent will follow the Tender Instructions or Voting-Only Instructions delivered by the eligible beneficial owners of the Securities in the manner contemplated in the Tender Offer and Solicitation Memorandum as well as the Meeting Provisions.

If a quorum is not present within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) at any adjourned Meeting, such adjourned Meeting shall either (with the approval of the Trustee) be dissolved or further adjourned as provided in the Meeting Provisions.

- (10) Notice of an adjourned Meeting shall be given not less than 10 days (exclusive of the day on which the notice is given and the day on which the adjourned Meeting is to be held) prior to the date set for such adjourned Meeting in the same manner as notice of the original Meeting.

- (11) At the Meeting, on a show of hands (which, as the Meeting will be held by teleconference, will be done by way of oral communications), each person present and holding or representing a Security shall have the right to one vote. On a poll every person who is so present or represented shall have one vote in respect of each €1 in nominal amount of the Securities held or represented by him, or in respect of which he is a proxy.
- (12) If passed, the Extraordinary Resolution shall become effective upon signing by the Chairman of the Minutes of the Meeting at which the Extraordinary Resolution was passed. The Extraordinary Resolution once passed will be binding on the holder of Securities and all beneficial owners of the Securities whether or not represented at the Meeting and whether or not voting.
- (13) This notice and any non-contractual obligations arising out of or in connection with it shall be governed by, and shall be construed in accordance with, English law. By submitting a Tender Instruction or a Voting-Only Instruction, a beneficial owner of the Securities irrevocably and unconditionally agrees for the benefit of the Issuer, the Dealer Managers, the Tender Agent and the Trustee that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Offer or the Proposal or any of the documents referred to above and that, accordingly, any suit, action or proceedings arising out of or in connection with the foregoing may be brought in such courts.
