

Account opening

List of required documents for online account opening

National citizens and Brazilians.

Identification Document (ID)

- Portuguese Citizen Card
- Certificate of Residence (document issued by an official governmental entity of the client's country of residence)

Tax information

- Portuguese Citizen Card
- Portuguese Resident Permit with all identification details
- Extraction of IDGOV data
- Tax Authority Certificate

Proof of Address

You may provide one of the following documents, which must have been issued less than 6 months ago:

- Utility Bill with QR Code (document issued in the client's name by a reliable and official service provider)
- Tax Authority Certificate (document issued by the Portuguese Tax Authority)
- Authority that includes the client's address in their country of residence)
- Extraction of IDGOV data

Additional documents may be requested as needed to verify and validate the information provided. This information does not replace the official conditions available on the institution's website, nor does it exclude the possibility of other documents or information being required that are not mentioned in this notice.

Also, if the documents are issued in a language other than English, Spanish, or French, a certified translation is required.
